

## NB2- Bookcase Assembly Instructions

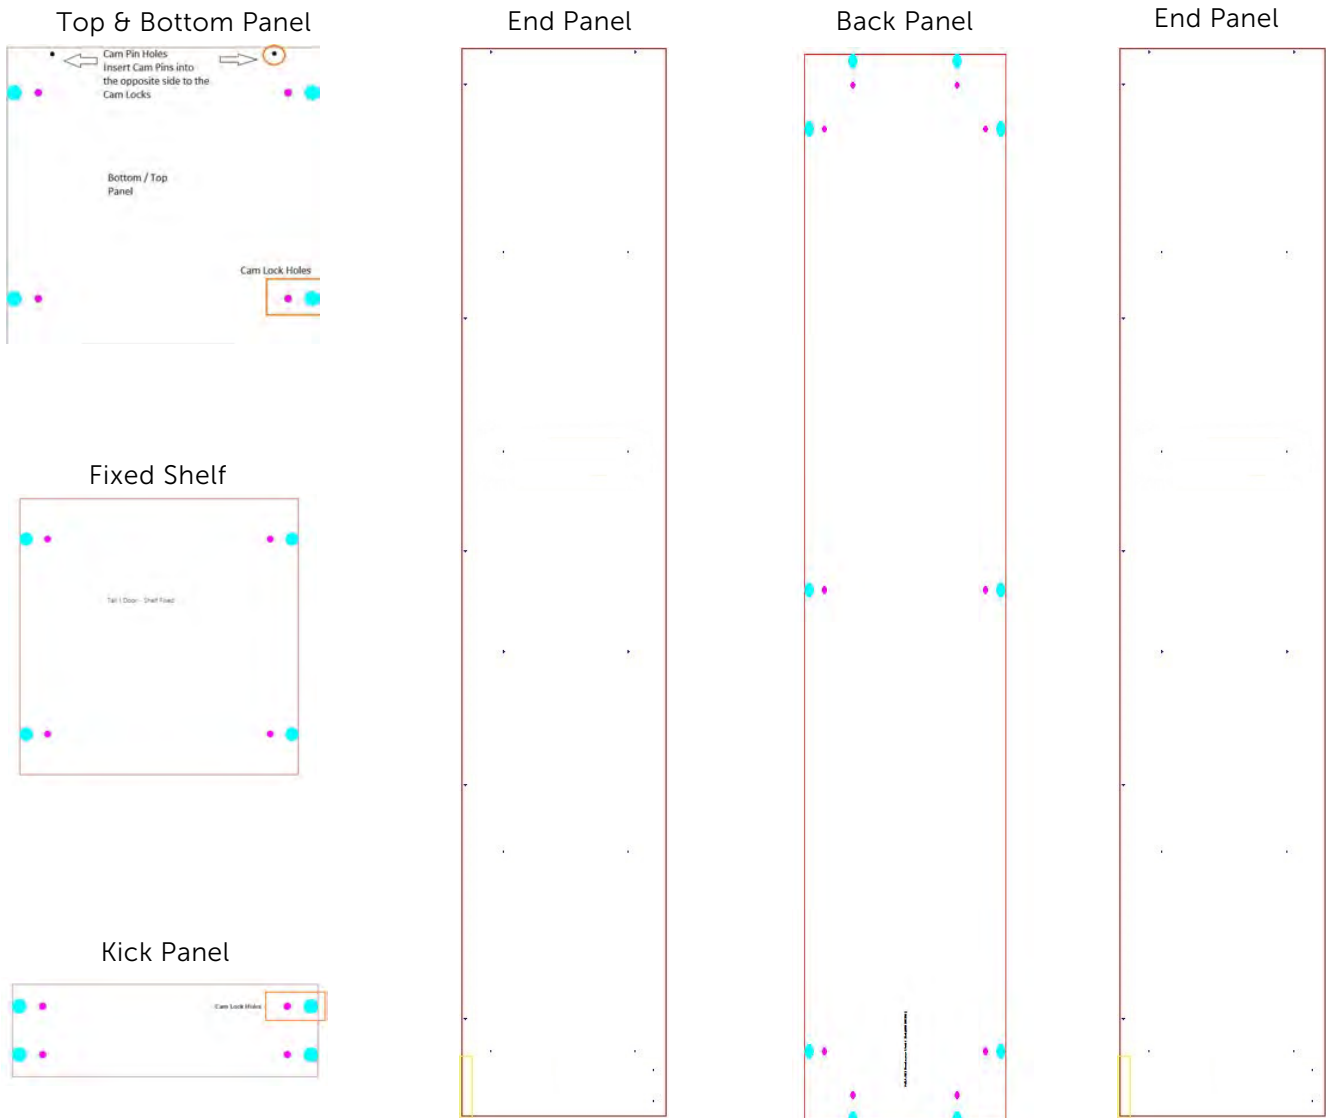

**Note:** If you have two of the same cabinet each cabinet will have a different cabinet number.

**Panel Stickers/Labels** –Do not remove any cabinet stickers from the panels until the units have been built, as these will assist with assembly. Most of the stickers are placed on the “back” or underside of the cabinet and will not be seen once assembled.

*Please Note:*  
 Cabinet number shown is an example only.

## NB2 Bookcase Cabinetry Panels

# NB2 Hardware Parts

Cam Lock

Cam Pin

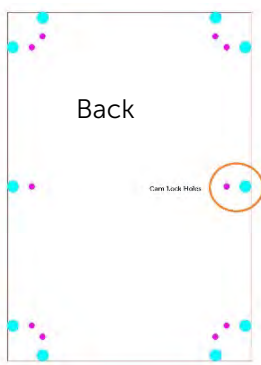

28mm Wood Screw

## Step 1 – Inserting Hardware

**Cam Locks** – Insert all Cam Locks into the following panels as described by the cabinet part located on the cabinet sticker.

**Cam Pins** Insert all Cam Locks into the following panels as described by the cabinet part located on the cabinet sticker.

**NOTE:** In the Top and Bottom Panels Insert the cam pins on the opposite side to the Cam Lock.

## Step 2 - Bookcase Assembly

Start the cabinet assembly by using either one of the Bookcase End Panels and fixing it to the Back Panel. Note: The cam locks are not facing what will be the inside of the Bookcase when built.

**Back Panel** - Place the Bookcase Back Panel onto the End Panel. Match up the cam locks with the cam pins. Tighten the cam locks and cam pins together by using a Phillips head hand screwdriver.

**Bottom & Bottom Panels** - With the cam locks facing away from the inside of the Bookcase attach the Bottom Panel to the End Panel and Back Panel. Repeat this process with the Top Panel.

Place the remaining End Panel on top of the previously assembled panels. Ensuring the cam pins are lined up with the cam locks. Tighten the cam pins to the cam locks.

**Tip:** You may need to lightly tap the cam pins into the cam locks with a rubber mallet. Ensure you do this where the cam pins are. Failure to do so may result in damage to the End Panel.

## Step 3 - Fixing Bookcase to the Wall Bed

**Attaching to the wall bed** - Place the cabinet next to the side of the Wallbed. Check that the bookcase end panel is flush with the front edge of the wall bed End Panel. Attach the Bookcase to the wall bed cabinet by using the 28mm wood screws supplied. (two towards the top of the Bookcase and two at the bottom)

**Note:** These holes will need to be pre-drilled using a 5mm drill bit. Use caution not to drill through to the inside of the wall bed End Panel.

**Caution:** Do Not over tighten the wood screws into the side of the wall bed End Panel as it may end up protruding through the opposite side of the panel.

**Attaching the Fixed Shelf** - Insert the shelf, so the cam locks and cam pins are interlocked and then tighten the cam locks using.

## IMPORTANT SAFETY INFORMATION

All WallBeds Australia Bookcases and Cabinets must be securely attached to the WallBed before use. Ensure that children **DO NOT** climb or hang on any part of the Bookcase Or Cabinet. Failure to do so may result in personal injury.

## Removing Panel Stickers/Labels

Remove once installed, heat up with hairdryer & then to remove any sticky residue use wax and grease remover or similar.

Avoid using a razor blade as you may damage the cabinetry.
