AlphaBed

PRODUCT & PRICE GUIDE

To order your Wall Bed or find out more call us or go to

wallbedsaustralia.com.au

Reclaim your space

The Alpha Bed steel frame must go into a cabinet to operate with the cabinet securely attached to suitable wall fixing. The Alpha Bed uses a counterbalanced spring lifting mechanism for the effortless operation of the wall bed door panel. The mattress frame and double overlapping stiffeners are made using lightweight structural steel. Completing the Alpha Bed frame is the fold-away leg system that rotates over the mattress when lowering or closing the wall bed. The Alpha Bed is available in Single, Double, Queen and King sizes.

The Alpha Bed Flat Pack

Our Alpha Bed flat pack is delivered ready for you to put together and install yourself or by a tradesperson if required. The flat pack is inclusive of all of the cabinetry and hardware needed for you to build your wall bed. The modular style of the optional side bookcases or cabinets makes it easy to select the combination to suit your requirements and available space.

Personalise your Alpha Bed Flat Pack. - Measure your space, select your wall bed size, add additional bookcases or cabinets if required. Select a single colour or a combination of colours from our colour range.

Variation to our standard cabinetry is available to suit your space. However, extra charges will apply when a Non-Standard item is required.

Freight Information

*Prices displayed within this brochure are inclusive of freight to Metro NSW, ACT, VIC, SA & QLD. Contact WallBeds Australia for freight costs for non metro regions including North QLD, NT, WA, & TAS. Out of zone / remote regions may also incur additional freight costs.

Alpha Bed Flat Pack Price Guide*

The flat pack is inclusive of the Alpha bed frame, spring lifting mechanism, cabinetry, cabinetry hardware and handle/s.

The Single Vertical & Single Horizontal wall beds have one door panel, only one handle is required.

Bookcase and Cabinet options are on pages 5 & 6 of this brochure.

The recommended maximum mattress thickness for the Alpha Bed is 30cm.

Alpha Bed Side Bookcase and Cabinet Range

WallBeds Australia has a variety of side cabinet options available; giving you the perfect way of transforming your wall bed into a complete room storage solution.

From a simple bookcase with adjustable shelving for flexibility or fixed shelving for that sleek modern look.

Other cabinets can include a combination of a cupboard door, drawers along with a small bookcase. If you are after just Bed Side Tables, some of our Side Cabinets can be supplied without the top unit giving you this option.

In addition to our variety of side cabinets, you can add our functional Pull Out Table. The Pull Out Table will then give you a convenient bedside table when you want it, then slides away when not in use.

To make the absolute best use of your limited space, WallBeds Australia Side Cabinets can be increased[^] in their depth or width, allowing you the perfect way to turn your Side Cabinet into an amazing Pullout Rail Wardrobe or Traditional Hanging Wardrobe.

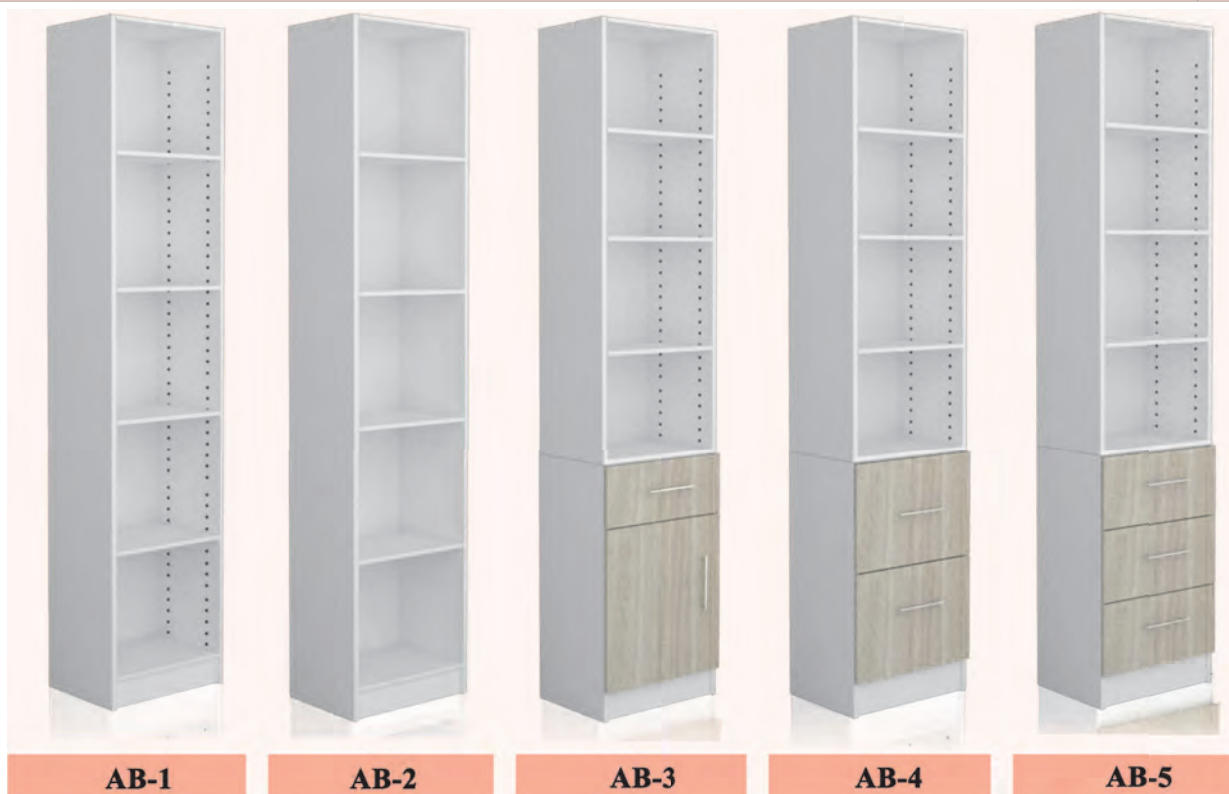

All WallBeds Australia Side Cabinets are modular, giving you the flexibility to reclaim your space for a truly tailor-made storage solution.

[^]Extra charges will apply when a Non-Standard item is required.

**COMPLETE DESK
PACKAGE \$460.00[†]**

**STUDIO DESK
MECHANISM ONLY
\$265.00[†]**

WallBeds Australia can supply you a **Studio Desk package to create a beautiful study desk that complements your room. The Studio Desk attaches to the front of the Vertical Alpha wall bed and lowers when you open your bed. No need to clear the desk before opening your Alpha Bed as the desk remains level the whole time.

Alternatively, WallBeds Australia can supply you with the Studio Desk Mechanism ONLY for you to create a desk from your own choice of colours or materials.

	Desk Top Dimensions W x D	Desk Back Dimensions W x D
Single	1036 x 560	1036 x 216
Double	1415 x 560	1415 x 216
Queen	1568 x 560	1568 x 216
King	1973 x 560	1973 x 216

**** The Studio Desk IS NOT compatible with the Horizontal Alpha Wall bed.**

[†] Price shown is for desk components only. Does not include wall bed. You will need to add the cost of the Studio Desk to the Alpha Bed that you select. Refer to Alpha Bed Price Guide.

Steel Bed Frame & Spring Mechanism Only

Consists of the steel bed frame, spring mechanism, springs & full instructions which includes the cut size list for the cabinetry.

NO CABINETRY OR WOOD PARTS ARE INCLUDED IN THIS KIT

HEAVY DUTY STEEL FRAME: Engineered to outperform aluminium or wood components. Rugged, lifetime durability.

PRECISE: Takes the guesswork out of wall bed manufacturing and assembly. The exact equation to bring the cabinet and the lift mechanism together.

COMPACT: Reduces the cabinet depth to 410mm or less. Eliminates protrusions and saves valuable floor space.

LIGHTER AND STRONGER: Remove up to 45kg from some systems and have a stronger, more precise product.

ADAPTABILITY: Specifically engineered for use with leading wall bed mechanisms. No guesswork on hole drilling to combine the frame with the lift mechanism.

VERTICAL OR HORIZONTAL: The frame is precision machined to not only adapt to various mechanisms, the frame also is interchangeable as a vertical or horizontal bed.

STRENGTH AND LOAD: Three stiffeners ensure the strongest bed base possible. Stiffeners are notched to overlap the frame for maximum load bearing. Test to 907kg dead weight load.

TRIP-FREE® FOLD-AWAY LEG: No strings or cords. A leg system similar to systems costing many times more. A touch of the finger and in seconds the leg and the bed fold away.

LIFETIME WARRANTY: Limited lifetime warranty on manufacturers defects.
